

Stage One Performing Arts
Spring Session 2018

We are now accepting registration for the Spring Performing Arts enrichment program. This afterschool program is for both boys and girls. Miss Nicky, one of our music teachers and trained in theater, will be teaching this program. This class will engage children in theater through games, dance and singing. If your child loves to perform, this is for them! If your child lacks confidence, this is for them! There will be a mini showcase on the last class of the term. After the school day ending at 1:00, the HOPE teachers will escort theater students to the Hope Music Room.

Registration: The attached registration form may be returned to the Hope PDO & Preschool office. Please note that registration is taken on a "first come, first served" basis and payment in full is mandatory to secure your spot. Children enrolled in Hope's PDO's Happy Hedgehogs or Brown Bears classes may not enroll: no exceptions will be made
