

CHARLES A. HERBEL SCHOLARSHIP APPLICATION

In 1999, Charles A Herbel, a husband, father, son, brother, aerospace engineer, and a friend to many, passed away very suddenly. To honor his memory, each year, a \$500 scholarship is presented to a member of Hope United Methodist Church who plans to study or is studying engineering, math, or science degrees. Fondly referred to by Chuck's family as the "Geek Scholarship," his untimely death has benefitted many promising youths over the years.
